

The TCCU Times

JUNE 2024

This issue of the TCCU Times covers the happenings at 905 Pennoyer during the second quarter of 2024.

TCCU Conducts Annual Meeting

(The Board of Directors meets during the TCCU annual meeting in April.)

Tri-Cities Credit Union held its annual meeting at 905 Pennoyer in late April.

Annual meetings allow the board to review our performance, examine our financial numbers, and discuss strategic plans for the coming year.

The board felt TCCU was holding its ground regarding assets and remaining competitive in loans. Members praised the team for their community engagement initiatives

The board also thanked longtime board member John Steinbeck for his years of service as he stepped down from his post. Associate Board Member Don Hoytenga was nominated and appointed to fill the empty seat.

The meeting concluded with honors for Tri-Cities Credit Union Chief Financial Officer Jackie Moinet, who celebrated five years of service to our non-profit.

As It Was...

These last few months have been a very busy time for the team at Tri-Cities Credit Union.

In April, we celebrated Credit Union Youth Month by reading "Owl & Otter-The Big Talent Show" to our youngest members. The story teaches the importance of saving and the difference between wants and needs. A few weeks later, our Stephanie Cwiklinski took the show on the road to Ferry Elementary School and shared the story with second graders.

Partnering with our friends at the City Farmer, we observed Earth Day by giving our members free wildflower seeds. We also conducted a contest via our social media, asking our member-owners what they planned to do to commemorate Earth Day, and then one was chosen randomly to win a \$75 gift card to City Farmer.

This spring also saw Tri-Cities Credit Union offering members (and potential members) a great CD Special: seven months at a rate of 4.97% and an APY of 5.10% (minimum investment: \$1000.00).

Let the warmer weather remind you that TCCU also offers competitive rates on recreational vehicle loans (e.g., boat loans)!

(Tri-Cities Credit Union Assistant Vice-President Stephanie Cwiklinski reading "Owl & Otter - The Big Talent Show" to Mrs. Andrews' Second Grade Class in May.)

Lastly, for the second consecutive year, Tri-Cities Credit Union earned runner-up honors in the Grand Haven Tribune's People's Choice Awards for best financial institution. TCCU is proud of our relationships with members and the service we provide them. We thank everyone who voted for us and encourage those looking for a new financial organization to work with to consider Tri-Cities Credit Union.

The Board and The Building

Tri-Cities Credit Union has invested in capital improvement projects outside 905 Pennoyer. We want to thank the folks at Franks Heating, Cooling & Air Conditioning for installing this much-needed spigot! We can now power-wash, provide water to vendors in the parking lot, and much more! We also want to thank Tri-Cities Lawn Care for giving our grounds a rejuvenating spiff-up to start the spring!

As mentioned at the beginning of this issue of the TCCU Times, an Associate Board Member was promoted to full board membership after our most recent Annual Meeting. We can ALWAYS use more Associate Board Members (ABMs)!

An ABM is a non-voting member of the board. However, ABMs participate in the meetings, weigh in on debate, and offer solutions to challenges. They can also serve on subcommittees and special projects as designated by the board.

This position is a great way to get a feel for TCCU operations, and ABMs can become eligible for any potential openings on the Board of Directors. For more information, visit tricu.org or come see us at 905 Pennoyer to fill out an application for this amazing volunteer opportunity.
